

**GEORGIA MINING FOUNDATION
2023 TECHNICAL SCHOLARSHIP PROGRAM**

Information Sheet

The Georgia Mining Association is comprised of over 40 mining and mineral producers who have operations in 112 counties in Georgia. The Association also includes more than 175 other companies that provide the mining industry with supplies and services. These companies have a significant impact on Georgia with more than 7,000 persons directly employed in the companies' operations.

The Georgia Mining Foundation was established over twenty years ago with a \$20,000 scholarship fund to be distributed as individual scholarships. This year, the Georgia Mining Foundation will be giving away \$350 scholarships to students attending technical colleges in Georgia. Students attending a Georgia technical college, and who meet the following criteria are eligible to apply.

The applicant must:

1. be a high school graduate by June 1, 2022;
2. have an overall average of 85% or higher;
3. receive a faculty recommendation (instructor or counselor). The recommendation (maximum one page) should address the following personal qualities: integrity, written/oral expression, personality, motivation, initiative, and financial need;
4. provide an essay (200 words or less) addressing your financial need for the scholarship; and
5. provide any further evidence of financial need (if applicable).
6. submit a completed application packet containing physical copies of all the applicable documents listed above (electronic copies will not be accepted), mailed to:
Georgia Mining Foundation, 113 Arkwright Landing, Macon, GA 31210

**~ Deadline for the Completed Application Packet (Physical Copies of the following:
Application, Letter of Recommendation, and Essay) Must Be POSTMARKED No Later
Than February 17, 2023 ~**
