

GEORGIA MINING FOUNDATION 2026 TECHNICAL SCHOLARSHIP PROGRAM INFORMATION SHEET

The Georgia Mining Association is comprised of over 30 mining and mineral producers who have operations in 133 counties in Georgia. The Association also includes more than 100 other companies that provide the mining industry with products and services. These companies have a significant impact on Georgia with more than 13,000 persons directly employed in the companies' operations.

Over twenty years ago, the Georgia Mining Foundation Technical Scholarship program was established with a \$20,000 scholarship fund to be distributed as individual scholarships. This year, the GMF will be awarding \$500 scholarships to students attending technical colleges in Georgia. Students attending a Georgia technical college, and who meet the following criteria are eligible to apply.

The following criteria is used in the decision-making process to determine the scholarship winners.

The applicant must:

1. be a high school graduate by June 1, 2026;
2. have an overall average of 85% or higher;
3. receive a faculty recommendation (instructor or counselor). The recommendation (maximum one page) should address the following personal qualities: integrity, written/oral expression, personality, motivation, initiative, and financial need;
4. provide an essay (200 words or less) addressing your financial need for the scholarship; and
5. explain any further evidence of financial need (if applicable).
6. submit a completed application packet containing physical copies of all the applicable documents listed above (electronic copies will not be accepted), mailed to:
Georgia Mining Foundation, 113 Arkwright Landing, Macon, GA 31210

Deadline for the Completed Application Packet (Physical Copies of the following: Application, Letter of Recommendation, Essay, & Transcript) must be POSTMARKED No Later than FEBRUARY 27, 2026.
